

DOWNTOWN ELF HUNT

There is a gang of **36 elves** scattered around Mount Joy. **Your job is to find all 36.** The elves can be anywhere in the hunting zone map. Check the inside of businesses. Look through the windows. Pay attention when walking around. They don't want to be seen, so they will be hiding. **The only 3 locations outside the elf hunting area below are listed.** Write down the location AND where it was hiding. **DO NOT TAKE THE ELF.**

ELF HUNTING SEASON IS NOV 26 - DEC 17.

ZONE IS IN YELLOW.

CAN YOU FIND THEM ALL?

WRITE YOUR NAME, EMAIL & PHONE # on back of this paper and slip it through the mail slot at the MSMJ Office @ 55 East Main Street. We will pull the name of the all winning entries.
